THROUGH THE REVENUE COMMISSIONER IN MYSORE.

Sir,

I have the honor to forward herewith for favour of orders of Government, the vernacular correspondence ending with the Saklespur Sub Division Officer's No.Al. 73-28 dated 21st August 1928, re: levy of lighting tax in the Halebid Village Panchayet, Belur Taluk, and to state that it is reported that the Village Panchayet of Halebid propose to levy a lighting tax at one anna in the rupee and that there has been no objection received from the public so far to the said proposal.

2. From the enclosed correspondence, it is seen that the object of the Panchayet in levying the special tax is to provide public lights in the village, and an additional revenue of a sum of R28-6-3 may be expected from the taxation. Both the Sub Division Officer and the Amildar recommend that the proposal of the Village Panchayet may be approved. As this is one of the model villages selected for intensive work in the District, and as such with the present slender resources of the Panchayet, it may not be possible to meet the cost of lighting which is estimated at R9/- per light per annum, I agree with the views of the local officers and recommend that the special tax may be sanctioned as

as proposed by the Panchayet.

3. I request you to kindly move the Government in the matter and obtain their sanction to the levy of lighting tax as proposed by the Village Panchayet at an early date.

I have the honor to be,

S i r,

Your most obedient servant,

Deputy Commissioner,

Hassan District.
